

CERTIFICATE OF DEPOSIT/RETIREMENT ACCOUNT DISCLOSURE

This disclosure contains information about terms, fees, and interest rates for some of the accounts we offer.

60 DAY CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for sixty (60) days. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded monthly. Interest will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals of principal from your account until the maturity date.

Time Account Information: Your account will mature in sixty (60) days. If you withdraw any of the principal before the maturity date we may impose a penalty of the equivalent of three (3) months interest on the amount withdrawn at the rate being paid on the account. The Annual Percentage Yield assumes principal and interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

91 DAY CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for ninety one (91) days. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded monthly. Interest will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals of principal from your account until the maturity date.

Time Account Information: Your account will mature in ninety one (91) days. If you withdraw any of the principal before the maturity date we may impose a penalty of the equivalent of three (3) months interest on the amount withdrawn at the rate being paid on the account. The Annual Percentage Yield assumes principal and interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

6 MONTH CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for six (6) months. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded monthly. Interest will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals of principal from your account until the maturity date.

Time Account Information: Your account will mature in six (6) months. If you withdraw any of the principal before the maturity date we may impose a penalty of the equivalent of three (3) months interest on the amount withdrawn at the rate being paid on the account. The Annual Percentage Yield assumes principal and interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

□ 11 MONTH NO PENALTY CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for eleven (11) months. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

☐ ONE YEAR TAX DEFERRED CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for twelve (12) months. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest is compounded annually and credited at maturity.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$10,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from this account until the maturity date.

Time Account Information: Your account will mature in twelve (12) months. The Annual Percentage Yield assumes that principal will remain on deposit until maturity. If you withdraw any of the principal before the maturity date, you will lose any accrued interest. You will have five (5) calendar days after the maturity date before this account automatically renews. This account will automatically renew for twelve (12) months in a tax-deferred CD account with the same terms and conditions, at the then prevailing interest rate and Annual Percentage Yield.

Tax Deferral Information: Interest income that has accrued during the term of this account will be reported as of the tax year in which it is credited to your account. Consult your own tax advisor regarding your tax needs.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

☐ 14-MONTH EASY OUT CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for fourteen (14) months. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded monthly. Interest will be credited to the account monthly. Interest earned on any amount withdrawn under the Easy Out option will be credited at the end of the month during which the Easy Out option was exercised.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. If you withdraw any of the principal before the maturity date (other than during the Easy Out option period), we may impose a penalty of the equivalent of six (6) months interest on the amount withdrawn at the rate being paid on the account. Easy Out option: You may withdraw any of the principal from the account seven (7) months after the account opening date. You will have five (5) calendar days after that date to withdraw the funds without penalty. You will not be notified prior to the withdrawal option period.

Time Account Information: Your account will mature in fourteen (14) months. The Annual Percentage Yield assumes principal and credited interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew for a period of twelve (12) months under the terms of that deposit account (without the Easy Out feature). You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Fees may reduce earnings. Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

☐ 15 MONTH CD

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for fifteen (15) months. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded monthly. Interest will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal balance in the account each day.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals of principal from your account until the maturity date.

Time Account Information: Your account will mature in fifteen (15) months. If you withdraw any of the principal before the maturity date we may impose a penalty of the equivalent of six (6) months interest on the amount withdrawn at the rate being paid on the account. The Annual Percentage Yield assumes principal and interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

checks) begins to accrue on the business day such items are deposited. Interest will be compounded continuously. Interest will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal balance in the account each day. You must maintain a minimum balance of \$500.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$500.00 to open this account. You may make additional deposits into this account during the term. You may not make withdrawals of principal from your account until the maturity date.

Time Account Information: Your account will mature in 18 months. If you withdraw any of the principal before the maturity date we may impose a penalty of the equivalent of six (6) months interest. The Annual Percentage Yield assumes principal and interest remain on deposit for twelve (12) months. A withdrawal of interest prior to maturity will reduce earnings. This account will automatically renew. You will have five (5) calendar days after the maturity date to withdraw funds without penalty.

Consumer Schedule of Charges available online at www.firstcountybank.com/online-disclosures

2½ YEAR IRA/KEOGH

Rate Information: This account is an interest bearing account. A disclosure with the current interest rate and annual percentage yield for this account was provided to you at account opening. The interest rate and annual percentage yield are available online at www.firstcountybank.com. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 2½ years. Interest on noncash items (for example, checks) begins to accrue on the business day such items are deposited. Interest will be compounded continuously. Interest will be credited to the account monthly.
